Major Drainage Project This Fall

Snow Removal

During the winter season, when it is likely to snow at any time, please make an extra effort not to park in the street. Buses, emergency vehicles, mail delivery, trash pickup and snow removal will be hindered, and you will receive a citation. Residents on Rollingwood have a unique challenge and need to pay extra attention where and how they park. Please park on easement areas as much as possible, and park vehicles on the same side of the street. Street parking is limited to the first 24 hours following the snow /ice event. This will allow sufficient time to clear your driveway.

Park Committee

People value the time they spend in city parks, whether walking a dog, playing basketball, or having a picnic. Along with these expected leisure amenities, parks can also provide measurable health benefits, from providing direct contact with nature and a cleaner environment, to opportunities for physical activity and social interaction.

Because of the different ways people experience parks, cities need to provide all types, from neighborhood facilities to large natural areas. In fact, many health benefits can be best achieved through small-scale, readily accessible sites. It has been the goal of this Commission to make this centrally located park a reality. Not only for the benefit of physical activities but also for a safe and fun park for families to gather and a place for children to play.

We are looking for volunteers to serve on a committee to help us develop this park into something the residents want. This will take very little of your time but your input will help shape the future of this park. If you are interested in serving, please contact the City of Goshen either by phone 228-2377 or email info@cityofgoshen.com

SEMI-ANNUAL JUNK PICKUP - Monday, November 8th

Normal junk pickup consists of hot water heaters, washers, dryers, dishwashers, couches, chairs. Coffee / end tables, misc. boxed toys, garage items, tools, grilles, bicycles, lawn mowers, refrigerators* etc. The following is a general guideline of what is **NOT ACCEPTABLE** for junk pickup of "normal" household solid waste.

- Demolition / construction material ..studs.drywall.sinks, tubs, toilets . A dumpster is required for construction, renovation , redecorating. Cabinets must be broken down to small pieces no longer than 4-5' If items can fit into a 90 gal ID cart they are acceptable.
- Large amounts of fencing ...a few planks may be ok if no longer than 4-5ft. in length...must be tied and bundled for pickup. No concrete... blocks, bricks etc.
- No liquids of any kind...paint, thinners, pesticides household cleaners, motor oils, fuels. Wet paint can be "solidified" with kitty litter or granular absorbent material from automotive supply stores.
- No medical bio-hazards...sharps, chemo diapers, oxygen tanks.
- Lawn mowers must have gas tanks removed and broken down as much as possible.
- Gas grilles are acceptable... with no propane tanks of any kind...grilles must have tank removed and broken down as much as possible.
- Swing sets and basketball goals must be broken down as much as possible... no pieces more than 4-5ft long... no concrete on legs or base.
- Mailboxes cannot be more than 4-5' long and no concrete on base.
- No large car parts...fenders, hoods, trunk lids etc. No tires of any kind.
- Freezers, refrigerators, air conditioners - must have Freon / refrigerant captured and removed by certified HVAC technician and unit tagged for acceptable pickup. Freon is considered hazardous waste.
- No landscaping material such as...logs, railroad ties, landscape timbers or concrete blocks. NO dirt, sod.

No yard waste material...no fire logs, stumps, shrubs etc.

DO NOT PLACE ITEMS IN BLUE ID TRASH CAN!
