## Spring has Sprung!

The birds are singing, the sun is shining, the sound of lawn mowers is ringing through the air, and the flowers are in bloom. It's officially **SPRING!!!**

With the weather warming up and the sun shining, please be aware of kiddos out playing, riding bikes, and walking to the park. Take an extra moment to look before pulling out of your driveway and when driving up and down the streets. Thank you!!

Don't forget to get outside and enjoy the parks, talk to your neighbors and celebrate this time of year!!!

## Drainage Project

The Drainage Project is complete!!

With the removal of the rip rap, came a concrete ditch. The new ditch seems to be keeping the water moving and from flooding the yards and street. New grass is growing, driveways have been repaired, and the overall look is much more appealing.

## City of Goshen Sign

The sign in the front of the neighborhood, that was recently damaged, is in the process of being repaired. The repair work looks amazing - THANK YOU!!!
